

Sample Email Invites (Tip: Use your own words!)

SAMPLE ONE:

Dear (Insert Name of Lovely Lady),

I invite you to join me for an 8-week study of John Paul II's [*Letter to Women*](#) by working through an Endow Study! [Endow](#) (*Educating on the Nature and Dignity of Women*) is a Catholic women's apostolate dedicated to helping women recognize, cultivate and educate their unique feminine genius as articulated by Pope St. John Paul II.

To this end, Endow creates study guides designed to be used in a small group! The best part is you'll be reading the actual text of the document (in this case John Paul's *Letter*), a spiritual and theological commentary, and questions in between and at the end for us to discuss in friendship and fellowship.

We will tackle one chapter per meeting and the BEST part is there is NO homework! We read everything out loud together during the meeting. Just bring your lovely self and your study guide which you can purchase [here](#). We'll be meeting at (Insert Location) from (Insert Time).

Please let me know if you'd be interested in joining us. I would really love to have your presence in our group so we can accompany each other in friendship and learning about our Catholic Faith as we learn about ourselves and each other.

I look forward to hearing from you soon!

God bless you,

(Insert Name of Lovely Host)
