EDUCATING ON THE NATURE & DIGNITY OF WOMEN

Endow is a Catholic apostolate for women. We call women together to study the important documents of the church. Through Endow groups, women encounter their identity as daughters of God, enabling them to grow in their faith and ultimately discover their mission in life.

Join a movement of women who want to cultivate deep friendships by studying the rich spiritual and intellectual documents of the Catholic Church! An Endow Study is an 8-12 week commitment. The Method is simple: gather together, read the chapter aloud and discuss the questions at the end of each section. There is no preparation and no homework required.

Discovering the Doctors

The title “Doctor of the Church” is the rarest of honors, signifying not only brilliance of mind but also brilliance of soul. After exploring what it means to be a Doctor of the Church, this study focuses on one Doctor in particular: St. Hildegard of Bingen. She was a Benedictine nun, composer, playwright, preacher, gifted healer and prophet. She provided spiritual counsel to popes, bishops, kings and queens. Besides introducing the remarkable life of Hildegard of Bingen, this study will challenge women to consider how God is working in their own lives and remind them of the inheritance, community and friendship they have in the doctors of the Faith.
