EDUCATING ON THE NATURE & DIGNITY OF WOMEN

Endow is a Catholic apostolate for women. We call women together to study the important documents of the church. Through Endow groups, women encounter their identity as daughters of God, enabling them to grow in their faith and ultimately discover their mission in life.

Join a movement of women who want to cultivate deep friendships by studying the rich spiritual and intellectual documents of the Catholic Church! An Endow Study is an 8-12 week commitment. The Method is simple: gather together, read the chapter aloud and discuss the questions at the end of each section. There is no preparation and no homework required.

This study helps women understand and appreciate the invaluable place Mary holds in the Church and in their lives. In this 1987 encyclical, Pope St. John Paul II calls our blessed Mother the “most excellent expression of the feminine genius,” giving her to all women as a model to follow in finding our own feminine genius. This study explores our relationship with Mary, enabling us to see Mary as both a mother and a friend as we navigate our personal vocation and our own expression of our particular feminine genius.
