## EDUCATING ON THE NATURE & DIGNITY OF WOMEN

Endow is a Catholic apostolate for women. We call women together to study the important documents of the church. Through Endow groups, women encounter their identity as daughters of God, enabling them to grow in their faith and ultimately discover their mission in life.

Join a movement of women who want to cultivate deep friendships by studying the rich spiritual and intellectual documents of the Catholic Church! An Endow Study is an 8-12 week commitment. The Method is simple: gather together, read the chapter aloud and discuss the questions at the end of each section. There is no preparation and no homework required.

## Seeker of Truth

This study introduces Edith Stein, one of the twentieth century saints canonized by Pope St. John Paul II. Edith was raised in a Jewish family, became an atheist and eventually converted to Catholicism. As a young German philosopher, Edith became one of the primary influencers of John Paul II's ideas about the feminine genius. Her life was a journey of continuous discovery which eventually led to her martyrdom at

Auschwitz. Studying the life of Edith Stein helps women to see how God leads them every step of the way. Her faithful witness will challenge them to push past their comfort zones as they seek the truth.
