EDUCATING ON THE NATURE & DIGNITY OF WOMEN

Endow is a Catholic apostolate for women. We call women together to study the important documents of the church. Through Endow groups, women encounter their identity as daughters of God, enabling them to grow in their faith and ultimately discover their mission in life.

Join a movement of women who want to cultivate deep friendships by studying the rich spiritual and intellectual documents of the Catholic Church! An Endow Study is an 8-12 week commitment. The Method is simple: gather together, read the chapter aloud and discuss the questions at the end of each section. There is no preparation and no homework required.

Book 2 / Created For Community

This second study examines the question, “What is Love” through an exploration of CS Lewis’ Four Loves as well as an introduction of Gary Chapman’s Five Love Languages. It explores the purpose of friendship and outlines how to identify a good friend. In discussing several holy friendships, including St Teresa of Avila and St John of the Cross as well as St Francis de Sales and St Jane Frances de Chantal, the concept of true friendship is further solidified. The study concludes with an exploration of the difference between love and lust and introduces dating with intention, allowing young women to understand the critical importance of surrounding themselves with those who desire what is best for them and will enable them to flourish.
