EDUCATING ON THE NATURE & DIGNITY OF WOMEN

Endow is a Catholic apostolate for women. We call women together to study the important documents of the church. Through Endow groups, women encounter their identity as daughters of God, enabling them to grow in their faith and ultimately discover their mission in life.

Join a movement of women who want to cultivate deep friendships by studying the rich spiritual and intellectual documents of the Catholic Church! An Endow Study is an 8-12 week commitment. The Method is simple: gather together, read the chapter aloud and discuss the questions at the end of each section. There is no preparation and no homework required.

Book 3 / Created For Holiness

The third installment of our four-part High School Study Series explores the concept of holiness through the lens of young people's thirst for greatness. The Beatitudes and the Universal Call to Holiness are presented in connection to the idea that God has a plan for every human person from the moment of their creation. A discussion of state-in-life vocations (marriage, religious life and single life) is contrasted with our culture's ideas of success, encouraging young women to develop their concept of personal fulfillment and begin to discern their vocation in life.
