EDUCATING ON THE NATURE & DIGNITY OF WOMEN

Endow is a Catholic apostolate for women. We call women together to study the important documents of the church. Through Endow groups, women encounter their identity as daughters of God, enabling them to grow in their faith and ultimately discover their mission in life.

Join a movement of women who want to cultivate deep friendships by studying the rich spiritual and intellectual documents of the Catholic Church! An Endow Study is an 8-12 week commitment. The Method is simple: gather together, read the chapter aloud and discuss the questions at the end of each section. There is no preparation and no homework required.

GIRL GENIUS PART III

Loving Leadership

Being an authentic leader means taking care of others; with this in mind, this study will help girls recognize their own unique call to be a leader. True leaders know their strengths and weaknesses and view their abilities as gifts from God. They recognize that the decision to live for Christ is one that is made every day. By helping young women to understand and explore their roles as daughters of Christ, this study teaches them to live out their feminine genius in school, in church and at home.
